ters of the general strike of machinists ; will go out in the individual shops where the machinists already are out. The estimate of President O'Connell, of the National Association of Machinists, as to the number of strikers today reports 50,000 approximately the same figure as given yesterday. The executive board of the association is in session here watching the progress of the strike President O'Connell said this morn-

very favorable. The indications are that the great majority of firms will have reached agreemnts with the men-today or tomorrow. The dispatches coming in from various cities indicate that conferences will be held today with a large number of firms. Many men who were working yesterday went out today. The additions made last night and this morning to the list of strikers and the number that will re-

Today's reports show that only three railroads in the United States are now affected by the strike, namely the Delaware, Lackawanna & Western.

SITUATION SUMMED UP. The situation, according to reports re-

ceived today at headquarters, is sum-marized as follows: Practically all the trouble between djusted. At Kansas City about 600 nen are out but a few small firms have

signed the agreements. San Francisco reports an almost comstruck. Agreements have been reached there, however, with eleven firms out-side of the Union and Dresden Iron plants and the Fulton Shipbuilding company. At Seattle 700 men have struck. There are 500 strikers at Ta-coma. The trouble has been adjusted at most of the other Pacific coast

At New York about 2,500 men have struck. A settlement has been reached with the remainder which involves about 50 per cent of the firms. In Chi cago all but several of the small shops have adjusted matters. About 2,000 men are out in Boston. Many men are ut in the Ohio cities of Cincinnati Hamilton, Dayton and Alliance, In Cincinnatl a dozen firms have made the concession since Saturday and about 3,000 men are out.
